

Kiln Operation & Management Workshops with Mike Sievers of Skutt Kilns

Saturday, October 12th, 2019

\$25.00 per class!!

Kiln Operation, Repair & Maintenance - Saturday, October 12th, 2019 - 10am-12pm - \$25.00

Kilns can be a little intimidating for even the most seasoned of kiln owners. This class will go over the basics of setting up, loading, programming, maintaining and repairing your kiln. We will also touch on some advanced techniques for achieving special glaze effects and some tips and tricks for achieving better overall firing results.

Kiln Management - Saturday, October 12th, 2019 - 12:30pm-2:30pm - \$25.00

If you are a School Art Coordinator, Camp Director, Community Center Facilitator, Art Center Facilitator, Contemporary Studio Manager, Production Manager or anyone else that has to manage multiple kilns, you will not want to miss this class. In this class we will discuss the following topics:

Designing the Kiln Room

Avoiding Mistakes When Ordering Equipment

Working With Architects and Contractors

Developing A Kiln Maintenance Program

Developing Firing Policies

New Technology Available to Help Manage Your Program

**** Each participant will receive a free Kiln Management Publication along with Assorted Posters for your kiln room ****

Sign up early because space is limited!!

\$25.00 per person (Lunch included)
